(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 9-500.20, Arizona Revised Statutes, is amended to  
3 read:

4 9-500.20. Outside emergency services; costs

5 A city or town may provide or assist in providing emergency fire or  
6 emergency medical services outside of its corporate limits, if those services  
7 are otherwise unavailable or are provided at the request of any law  
8 enforcement agency, fire district, fire department or private person, and may  
9 receive reimbursement for the costs of providing the emergency services,  
10 **INCLUDING EMERGENCY MEDICAL SERVICES**. The person receiving the services, or  
11 on whose behalf the services are provided, is liable to the city or town for  
12 the costs, and these costs constitute a debt of that person and may be  
13 collected by the city or town. In this section, the costs of providing  
14 emergency fire or medical services are those costs set forth in resolutions  
15 adopted by a city or town establishing fee schedules for emergency response,  
16 standby charges, fees for fire cause determination or any other fee that may  
17 be required or appropriate to provide emergency fire and medical services  
18 outside of its corporate limits.
